

**DURST®**

# PUMP DRIVES

Our modular design can be configured and shipped to meet your application needs. It's built tough to provide outstanding performance, and backed by our responsive engineering and customer service teams to give you the leading pump drive solution.

## FEATURES

- Quick Ship Program Available
- Modified Standards Available
- Patented Modular Design
- Compact Package Size
- Cast Iron Housing
- AGMA Class 10 Spur Gearing
- One Piece Gear and Shaft Design
- Wide Range of Ratios
- Patented Wet Spline Connection;  
Patent No. 7,152,711
- Drop-in Replacement for Most Applications

## APPLICATION CONSIDERATIONS

The proper selection and application of products and components, including the related area of product safety, is the responsibility of the customer. Operating and performance requirements and potential associated issues will vary appreciably depending upon the use and application of such products and components. The scope of the technical and application information included in this publication is necessarily limited. Unusual operating environments and conditions, lubrication requirements, loading supports, and other factors can materially affect the application and operating results of the products and components and the customer should carefully review its requirements. Any technical advice or review furnished by Regal Beloit America, Inc. and/or its affiliates ("Regal") with respect to the use of products and components is given in good faith and without charge, and Regal assumes no obligation or liability for the advice given, or results obtained, all such advice and review being given and accepted at customer's risk.

For a copy of our Standard Terms and Conditions of Sale, please visit <https://www.regalbeloit.com/Terms-and-Conditions-of-Sale>. These terms and conditions of sale, disclaimers and limitations of liability apply to any person who may buy, acquire or use a Regal product referred to herein, including any person who buys from a licensed distributor of these branded products.
