TRANSMISSIONS & TORQUE CONVERTERS

Brandt and Palmer Johnson have teamed up to provide quick, cost-effective, high-quality exchange units and repairs of Twin Disc transmissions and torque converters. Each facility is capable of hard-down equipment repair.

- Failing component you don't repair often
- Troubleshooting takes up time & money
- Shop is full, working shorthanded
- Don't have the right tooling
- Machine Down
- Not current on technical data
- Parts not readily available
- No testing equipment
