DETAILED INSPECTIONS

QUALITY MAINTENANCE

RAPID REPAIRS

RELIABLE REBUILDS

EXCEPTIONAL FIELD SERVICE

Palmer Johnson
Power
Systems

**WACKER
NEUSON**
all it takes!

Count on our experienced technicians to augment your service departments. We don't rent or sell equipment only help you keep it up and running. Let us support you with warranty, bulletins, maintenance, repairs, and rebuilds.

Used Equipment cause for concern when you send it out? Consider PJ RECON. We recondition your machines to Wacker Neuson specs. Turn your used fleet into like-new with PJ ReNew or simply ReFresh it.
